Please note that there is no specific Stage Door for the Pavillion Arts Centre.

Department	Detail
------------	--------

Technical Team	01298 211882 or technical@BOH.org.uk
Stage Door	01298 211877
Box Office	01298 72190
Administration	01298 767800

Location and Parking

What Three Words

Stage Door/Dock Door [///rinsed.bond.flotation](#)

Get In [///orchestra.aced.lotteries](#)

Box Office [///binders.mentions.drizzly](#)

There is no dedicated parking for the Pavillion Arts Centre.

On street parking is free after 6pm or there is free parking on Park Road or Burlington Road.

If possible, depending on other events, a space may be available outside the Opera House however this must be discussed with the Technical Team on the day.

Access

The PAC stage door entrance is slightly above street level and accessed using 3 steps to the lefthand side of the door and or a ramped walkway between the building and glass handrail (wheelchair compliant) to the righthand side. The door is a standard size glass sliding door.

It is recommended that touring staff wear Hi Visibility clothing while working on the street.

Item	Detail
Get In Doors opening	2.0m wide x 2.0m high
Ramp width	1.0m

Bus power

There is no dedicated tour bus power for the venue. Please contact the Technical Dept if you should require this facility.

Prompt Desk

We do not have a prompt desk in the Arts Centre however there is space DSL, in the off-stage lobby or at the rear of the auditorium for a DSM position with comms, stage monitor (Camera) and BOH / FOH paging.

Please Note: there are no Cue Lights within the space.

Environmental consideration

Where possible effects such as falling snow, greenery, confetti etc, should be as environmentally friendly as possible and made from recyclable materials.

The use of non-recyclable materials such as glitter should be avoided.

A surcharge may be applied for the disposal of non-recyclable effect materials and products.
